

Finding the Pieces

This summer camp experience is for Biddeford children with a diagnosis of Autism. Our campers will receive 1:1 support during their summer camp experience.

Camp Application

Camp Info

Dates August 7th-18th

Times 8:00am - 12:30pm

Grades Kindergarten -5th

Location John F. Kennedy School
64 West St. Biddeford, ME

About Camp

Finding the Pieces will run concurrently with Biddeford Recreation's Safari Camp to provide children with Autism with the opportunity for a fun and inclusive camp experience. Students from the University of New England's health, wellness and occupational therapy will serve as camp counselors to provide one-on-one support for our campers.

Due to the unique needs of our campers, our daily schedule will include sensory play, social skill groups and speech and language building activities along with arts, crafts, outdoor play, field trips and more!

Camp application is due May 26th, 2017. Email completed applications to findingthepieces@biddefordmaine.org or mail to:

Robert Quattrone

205 Main St.

Biddeford, ME, 04005
